Blooming Arts – Spring 2016

Photography & Camera Basics You'll spend this workshop learning how to use your camera and get those images you want to capture. From kids' activities, family portraits and vacation shots to the special images you want to capture for yourself. Led by instructor and professional photographer, [Fatima Donaldson](#). www.fatimaphotography.com

Dates Available:

Thursday, April 21 10am-1pm Saturday, May 7 10am-1pm
\$45/participant

Dream It...Create It...Live It: Vision Boards We think about what can be rather than what is...and then we move in that direction. The vision board is a tool that can be used to guide us in the direction we want to go. With this powerful tool, dreams can come true and goals can be achieved. You can live the life that you desire. This workshop is led by [Melba Lee](#).

Dates Available:

Saturday, April 23 5-7pm \$30/participant

Floral Stemware Artist [Becca House](#) takes you through the technique of painting stemware that will make any table bloom! Alcohol not included. www.casaverdecreations.com
